

Please do not replace K-LOVE with this LPFM. There is no reason to do this, except to limit some people's rights--meaning access to entertainment that appeals to them. K-LOVE is the only radio station I listen to. I only occasionally listen to 93.3 WAKW. K-LOVE is positive, enjoyable, clean entertainment. If I can't listen to K-LOVE, then I will stop listening to the radio at all because you have then eliminated me from having a choice. 93.3 WAKW does not play music non-stop, and they have too many talk programs. Other stations that I've listened to in the past do not know how to be positive. They think that an off color joke or lewd comment is funny and therefore, positive. Not so! I believe in Jesus Christ as my Lord and Savior, and I want a radio station that shares the same values as I do. K-Love serves the public interest because there is enough negativity in the world, and they are positive and tell the truth. They operate with integrity and honesty.
